INTRODUCTION

Congratulations on your decision to enrol in a nationally recognised vocational course.

This handbook has been written to provide students with important information about the vocational education and training (VET) qualifications offered at Beerwah State High School as well as your rights and responsibilities as a VET student.

Students should take the time to study this handbook carefully and ask their VET teacher if they are unsure of any details. Students should keep this handbook (or note the school's website location of this document) for reference throughout their enrolment. The contents of this handbook in many instances represents the key points of various VET policies and procedures developed by this RTO. If students required further clarification regarding any details in this handbook, please see your teacher or the RTO Manager.

The Australian Qualifications Framework (AQF)

All of the VET courses offered by this RTO lead to nationally recognised qualifications – a certificate (if all of the requirements of the qualification are completed) or a statement of attainment (for those parts that are successfully completed where the full qualification is not completed). This certificate/statement of attainment will be recognised in all eight states/territories in Australia. This is because Australia has a national qualifications framework called the Australian Qualifications Framework (AQF). There are 14 different types of qualifications that can be obtained. These are shown in the diagram above.

Your VET teacher will provide you with information about your VET qualification/s including an overview of the specific units of competency/modules in each, assessment requirements, vocational outcomes, etc. via a VET induction at the start of your course.

The following qualifications available for completion at this school are listed on the Enrolment Agreement that you will be provided with and can also be viewed in the Subject Selection Handbook.

Qualifications offered by Beerwah State High School RTO# 30229

Qualifications on Scope of Registration (Dated 19/02/2023)	
Qualification code	Qualification title
BSB20120	Certificate II in Workplace Skills
CHC14015	Certificate I in Active Volunteering
CPC20220	Certificate II in Construction Pathways
CUA30120	Certificate III in Dance
FNS10120	Certificate I in Basic Financial Literacy
FSK10119	Certificate I in Access to Vocational Pathways
FSK20119	Certificate II in Skills for Work and Vocational Pathways
ICT20120	Certificate II in Applied Digital Technologies

Qualifications offered by external providers (RTOs) at Beerwah State High School

Qualification code	Qualification title	RTO name and code
SIT20316	Certificate II in Hospitality (Year 12 2023)	Blueprint Career Development RTO# 30978
SIT20322	Certificate II in Hospitality (Year 11 2023)	Blueprint Career Development RTO# 30978
MEM20422	Certificate II in Engineering Pathways	Formula Student RTO# 41124
SIS30321	Certificate III in Fitness	Binnacle Training RTO# 31319
BSB30120	Certificate III in Business	Binnacle Training RTO# 31319
CHC30121	Certificate III in Early Childhood Education and Care	Deception Bay State High School RTO# 30380
10971NAT	Certificate IV in Justice Studies	Unity College RTO# 32123

1. Student selection, enrolment and induction/orientation procedures

Students enrolled in the VET courses at this School participate in the same enrolment and selection processes as other students at the School. Where numbers are limited for VET subjects, selection will be based on interview and/or on the order in which enrolments were received.

Beerwah State High School will provide each student with information about the training, assessment and support services they will receive, and about their rights and obligations (through the VET student induction session) before enrolment on the Student Management System.

The RTO Manager, and associated VET teachers will induct all VET students with this handbook.

2. Qualification or accredited course information

Information pertaining to your qualification or accredited course can be sourced from course documentation provided by your VET teacher, subject specific information included in the Senior subject selection handbook (or similar document), through the VET student handbook and on the School website or intranet (G Drive, Daymap or OneNote).

Information available to students regarding course information will include:

- Qualification or VET accredited course code and title
- Packaging rule information as per the specified Training Package or VET Accredited course
- Units of competency (code and title) to be delivered
- Entry requirements
- Fees and charges
- RTO guarantee information
- Course outcomes and pathways
- Work experience requirements (where applicable)
- Licensing requirements (where applicable)
- Third party or off-campus arrangements (where applicable)

3. Marketing and advertising of course information

The School will ensure that its marketing and advertising of AQF qualifications to prospective students is ethical, accurate and consistent with its scope of registration. In the provision of information, no false or misleading comparisons are drawn with any other training organisation or training product.

The School will not advertise or market in any way VET accredited courses, qualifications or units of competency that are not on the scope of registration.

Beerwah State High School will ensure it will have the appropriate human and physical resources to deliver and assess any course currently on the School's scope of registration. If the School loses access to these resources, the School will provide students with alternative opportunities to complete the course and the related qualification.

4. Legislative requirements

The school will observe all Australian, state and territory laws governing Vocational Education and Training. The school will also meet all legislative requirements of the:

- [Education \(General Provisions\) Act 2006](#)
- [National Vocational Education and Training Regulator Act 2011](#)
- [Copyright Act 1968 \(2006\)](#)
- [Education \(Work Experience\) Act 1996](#)
- [Child Protection Act 1999](#)
- [Work Health and Safety Act 2011](#)
- [Anti-discrimination Act 1991](#)
- [Privacy Act 1988 \(2014\)](#)
- [Information Privacy Act 2009](#)

If students require any further information, please see the RTO Manager.

5. Fees and charges, including refund policy

The School does not charge students fees for VET services. Fees are only collected for consumable costs (subject fees) or other additional services such as the issuing of a replacement qualification testamur. Any fees and charges that do occur for additional services will be made known to students prior to enrolment.

Students who enrol past the commencement of the calendar year will be charged student fees at a pro-rata basis for the duration of the year. Students who leave a VET course before completion may be able to claim a refund for part of the course consumables (subject fees).

Fees for VET Courses provided by external training providers will be charged as per the third party arrangements with that provider.

Matters regarding payment of fees or refund of fees will be managed by the Business Manager in accordance with the principles contained in the general fee policy of the school (not specific to VET).

6. Student services

Beerwah State High School will establish the needs of their students, and deliver services to meet their individual needs where applicable. All students at this school will have involvement with some or all of the following processes, designed to establish their educational and support needs:

- SET plans
- subject selection processes
- career guidance services

The provision of educational services will be monitored to ensure the School continues to cater for student needs through review of student senior education and training (SET) plans, as needed. The School will also ensure that all students receive the services detailed in their agreement with the school.

The School will continually improve student services by collecting, analysing and acting on any relevant data collection through students providing valuable feedback to the school through informal and formal processes i.e. through individual student assessment feedback, course evaluation feedback, quality indicators — student engagement surveys and school-generated surveys (where applicable).

7. Student support, welfare and guidance services

Students have access to a wide range of support, welfare and guidance services at this RTO, including:

- Principal
- Deputy Principal Senior Schooling
- RTO Manager (VET Coordinator)
- Heads of Department
- VET teachers
- Career Counsellor/Guidance Officer
- Industry Liaison Officer
- Learning Support Teachers

8. Provision for language, literacy and numeracy assistance

If you are undertaking a VET subject, which has units of competency from a training package, you will find that basic literacy/numeracy elements have been incorporated. This should help you learn these basic literacy/numeracy components more readily, as they are being delivered and assessed in the context of an industry vocational area of your choice. If you still feel you need additional language, literacy or numeracy support, please seek further advice from the RTO Manager..

9. Access and equity policy and procedure

The access and equity guidelines at Beerwah State High School are designed to remove any barriers so that all students have the opportunity to gain skills, knowledge and experience through access to VET subjects.

This school is inclusive of all students regardless of sex, race, impairment or any other factor. Any matter relating to access and equity will be referred to the RTO Manager., as the designated Access and Equity Officer for VET.

Beerwah State High School follows the Department of Education and Training's *Workforce Diversity and Equity Guidelines* (<http://education.qld.gov.au/workforce/diversity/equity/resources/docs/workforce-diversity-equity-guidelines.doc>) and the Department's Policy and Procedure Register for *Reasonable Adjustment for People with Disabilities* (<http://ppr.det.qld.gov.au/corp/hr/workplace/Pages/Reasonable-Adjustment-for-People-with-Disabilities.aspx>) and all staff are aware of these. Staff and students may contact the RTO Manager, for information and/or support about the guidelines.

Access and equity guidelines will be implemented through the following strategies:

- The curriculum, while limited by the available human and physical resources, will provide for a choice of VET subject/s for all students
- Links with other providers, such as TAFE and other RTOs will be considered where additional resources are required.
- Access to school-based apprenticeships and traineeships may be available to students
- Where possible, students will be provided with the opportunity to gain a full Certificate at AQF levels I, or II or III (where applicable)
- Access to industry specific VET programs will be available to all students regardless of sex, gender or race.
- If the school loses access to either physical and or human resources, the school will provide students with alternative opportunities to complete the course and the related qualification.

Discrimination occurs if a person treats someone differently on the basis of an attribute or characteristic such as gender, sexuality, race, pregnancy, physical or intellectual impairment, age, etc. This school strives to meet the needs of each student through incorporating access and equity principles and practices which acknowledge the right of all students to equality of opportunity without discrimination.

For example, the following principles apply:

1. VET curriculum areas will be adequately resourced, with teachers with the appropriate qualifications, in order to ensure students have quality outcomes.
2. VET training and assessment will be in line with industry standards to ensure quality outcomes for students. As well, a variety of training/assessment methods will be used to cater for the ways in which students learn. Students with learning difficulties or impairment will participate with an initial and annual panel meeting with their parent/guardian and relevant School staff to ensure that the training and assessment provided meets their needs.
3. All students will be actively encouraged to participate in VET qualifications, irrespective of background/cultural differences.
4. Prior to participating in structured work placement, students will be provided with an induction programme that will equip them with the knowledge to recognise harassment/discrimination should it occur and to ensure they have the strategies to deal with anything like this. Appropriate support will be provided to ensure students are successful in their work placement.
5. Literacy/numeracy is integrated throughout all VET qualifications, as well as being delivered separately through your English/literacy and Maths/numeracy programme.
6. This School will openly value all students, irrespective of background/culture/other differences and all students will be made to feel valued through the delivery of appropriate training/assessment methods and support structures.
7. Any complaints in relation to discrimination/harassment will be treated seriously, in line with the School's Complaints and appeals policy.

10. Flexible learning and assessment procedures

The following represent the basic VET assessment principles of this School. They are designed to promote fairness and equity in assessment.

- All VET students at this School will be fully informed of the VET assessment procedures and requirements and will have the right to appeal.
- Students will be given clear and timely information on assessment.
- Information given to students, on the assessment cover sheet, will include:

- advice about the assessment methods
 - assessment procedures
 - the criteria against which they will be assessed
 - when and how they will receive feedback.
- Students will sight their profile sheet of results in each VET subject on at least two occasions throughout a two year course.
 - The assessment approach chosen will cater for the language, literacy and numeracy needs of students.
 - Any special geographic, financial or social needs of students will be considered in the development and conduction of the assessment.
 - Reasonable adjustment will be made to the assessment strategy to ensure equity for all students, while maintaining the integrity of the assessment outcomes.
 - Opportunities for feedback and review of all aspects of assessment will be provided to students.
 - A clearly documented mechanism for appeal against assessment processes and decisions is available to students and is publicly available in this handbook which is stored on the intranet.

Your VET teacher will provide you with a thorough overview of the assessment requirements for your individual VET course. The following information, however, represents some general information about the VET assessment process adopted at Beerwah State High School.

11. Competency based assessment

In order to be successful in gaining competency, students must demonstrate consistent application of knowledge and skill to the standard of performance required in the workplace. Students must be able to transfer and apply skills and knowledge to new situations and environments.

In most subjects assessment tasks are completed a number of times throughout the year. Results for each assessment item will be marked on a student profile sheet (or similar document) using terms such as Satisfactory or Unsatisfactory, or working towards competence. This assists students to become competent as their skills improve.

Final records of assessment of competencies will be awarded as either:

- **C** for Competent
- **NYC** for Not Yet Competent

Assessment methods

Each VET teacher will maintain a student profile (or similar document) for each student and on completion of the program of study an exit level will be awarded, based on the principles of assessment and rules of evidence.

Elements of competency will be assessed and recorded once the VET teacher is satisfied that a student has demonstrated consistent competency in an element or unit of competency. Students may also receive assessment if they apply for and meet the requirements for, RPL.

A master record detailing students' achievements of the units of competency is maintained at the School on the Student Management System and OneSchool.

This will record all elements and units of competency achieved. This will be held by the School and will be issued to the student once they complete the program of study or upon exit (in line with the QCAA Student Management System data entry timelines).

12. Student access to accurate records policy and procedures

Beerwah State High School is committed to regularly providing student with information regarding their participation and progress.

The VET teachers must maintain accurate and current records of each student's progress towards and achievement of competencies.

VET teachers will provide access to a student's own records at least once each semester, or on request by the student. Students may also be given access to "for checking" of Student Management System or OneSchool printouts. Students will also have access to information regarding any unit achieved through their own online learning account.

13. Confidentiality procedure

Information about a student, except as required by law or as required under the [VET Quality Framework](#), is not disclosed without the student's written permission and that of their parent or guardian if the student is less than 18 years of age. The School will ensure that they have consent from each VET student. **See 21. Privacy Notice.**

14. Employer contributing to learner's training and assessment

Wherever possible the School will place students in workplaces that provide experience in the competencies included in their VET qualifications. This School does not use assessment by work placement supervisors. Students on work placements may record their activities in a workplace experience logbook (or similar document). The work placement organiser/teacher will seek the cooperation of the workplace supervisor in the sign-off on the accuracy of the student's entries in the log. This logbook (or similar document) may be used by the assessor to support judgments of competency. Students at this School will be placed in workplaces where it forms a mandatory requirement of the Training Package or Accredited course.

15. Complaints and appeals procedures

Complaints and appeals are managed by the RTO in a fair, efficient and effective manner. The School will create an environment where student's views are valued. Complaints arise when a student is dissatisfied with an aspect of the school RTO's services, and requires action to be taken to resolve the matter. Appeals arise when a student is not satisfied with a decision that the school has made. Appeals can relate to assessment decisions, but they can also relate to other decisions. Students with either a complaint or an appeal will have access to informal complaint process or a formal complaint or appeal process. All formal complaints or appeals will be heard and decided within 60 calendar days of the receipt of the written complaint by the School.

The RTO Manager. will keep a Register of Complaints which documents all formal complaints and their resolution. Any substantiated complaints will be reviewed as part of the continuous improvement procedure.

Students with a complaint or appeal have access to both informal and formal procedures.

Informal complaint

- The initial stage of any complaint shall be for the complainant to communicate directly with the VET teacher who will make a decision and record the outcome of the complaint.
- Learners dissatisfied with the outcome of the complaint to the VET teacher may then communicate the complaint to the Head of Department, who will make a decision in regards to proceeding with a formal complaint or appeal process.
- Learners dissatisfied with the outcome of the informal complaint may initiate a 'formal complaint or appeal' with the RTO Manager.

Formal complaint or appeal

Formal complaints may only proceed after the informal complaint procedure has been finalised and will follow the below procedure:

- All formal complaints or appeals will be in writing addressed to the Principal and submitted to the RTO Manager;
- On receipt of a formal complaint or appeal the RTO Manager shall reply in writing to acknowledge receipt of the complaint, then inform the Principal;
- The RTO Manager and the Principal will meet to discuss the complaint or appeal and either make a decision or convene an independent panel to hear the complaint; this shall be the "Complaint and Appeal Committee" and will consist of members who have not been involved in the issue to this point. It will include the Principal, a member of staff and a representative of the School community;
- When a decision is reached this will be communicated in writing to the complainant/appellant within 60 calendar days of the complaint or appeal being received as well as being recorded on the Complaints and Appeals Register;
- If the decision will take longer than 60 calendar days the complainant/appellant will be notified in writing of the reasons why a decision has not been reached and provide regular updates regarding the progress of the matter;
- The complainant/appellant shall be given an opportunity to present their case to the committee and may be accompanied by one other person as support or as representation;
- The relevant staff member, third party or other learner shall be given an opportunity to present their case to the committee and may be accompanied by one other person as support or as representation;
- The Complaint and Appeal Committee will make a decision on the complaint;
- The Complaint and Appeal Committee will communicate its decision on the complaint to all parties in writing and this will be recorded in the Complaints and Appeals Register;
- If the complainant/appellant is still not satisfied, the Principal will appoint an independent third party (outside the School) to mediate with costs being communicated to all parties prior to commencement;
- After the complaint or appeal is finalised the RTO Manager will organise a meeting of relevant parties to review the decision and outcome and evaluate the policies, procedures and strategies of the RTO in order to take appropriate corrective action to eliminate or mitigate the likelihood of reoccurrence.

16. Recognition arrangements for RPL

All VET students have access to a procedure that gives Recognition of Prior Learning. RPL is an assessment process that assesses an individual's level of knowledge and skills against individual or multiple units of competencies.

All applications for RPL will be responded to once a written application has been received. The RTO Manager will keep an RPL register which documents all RPL applications and their outcomes. Once the evidence has been provided to the School to assess RPL, the student will be notified of the decision. Students may have access to reassessment on appeal.

Recognition of prior learning procedure

At the commencement of the school year a Student Induction will be conducted by the RTO Manager or VET teacher and included in this process will be information about Recognition of Prior Learning (RPL) and will be further documented in the Student Handbook. Students who join a VET qualification as a late enrolment will be taken through the induction process by the RTO Manager.

Students will be informed about:

- What RPL is;
- All students will have access to, and be offered RPL;
- The application forms used for RPL and the types of evidence that could be presented;
- The process that will be followed for RPL; and
- Appealing assessment decisions for RPL.

A VET student seeking RPL will be provided with a copy of a RPL application form by their relevant VET teacher along with receiving support and assistance to interpret the documentation and compile the evidence required.

Once the student has submitted the required evidence the VET teacher will examine the evidence provided and make an assessment judgement. If there are gaps the VET teacher will inform the student of the gaps and the required training and assessment that will need to be undertaken to address these gaps. The VET teacher will clearly document the assessment decision using the qualification specific documentation that is to be retained in accordance with the Retention of Student Records Procedure.

The VET teacher must inform the RTO Manager of the application and result and the RTO Manager will record this in the RPL Application Register.

17. Recognition of AQF qualifications and statements of attainment issued by another RTO and credit transfer

At the commencement of the school year a Student Induction will be conducted by the RTO Manager or VET teacher and included in this process will be information about credit transfer and will be further documented in the Student Handbook. Students who join a VET qualification as a late enrolment will be taken through the induction process by the RTO Manager.

Students will be informed about:

- What credit transfer is;
- What documents need to be provided for credit transfer; and
- The process of obtaining credit transfer.

All students who are entitled to credit transfer from units of competency they have achieved within the School (ie. through qualifications completed in year 10 or across qualifications being undertaken at the same time) will be awarded credit transfer automatically by the School. These instances will be identified by the RTO Manager and the Student Management System Operator and the student and relevant VET teacher will be informed by the RTO Manager. In order to achieve this, the RTO Manager and Student Management System Operator will identify all units of competency across the RTO that are offered in multiple courses and where students will be awarded credit transfer.

When students transfer in from other schools that are an RTO and the student has undertaken VET at the other school, credit transfer will only be granted upon the student providing a Statement of Attainment or Record of Results issued by the previous School (a Form S1 is not sufficient). It will be the responsibility of the student to obtain this and credit transfer will not be granted until the documented evidence has been provided. The documentation is to be provided to the RTO Manager or Student Management System Operator directly. A copy of the Statement of Attainment/Record of Results will be provided to the VET teacher to store a copy with the student profile/portfolio as evidence. The Student Management System Operator will update Student Management System accordingly.

When students have undertaken qualifications through other non-school RTOs, credit transfer will be granted when the student provides the RTO Manager or Student Management System Operator with a copy of the Statement of Attainment or Record of Results. This will be recorded on Student Management System by the Student Management System Operator and a copy of the documentation given to the VET teacher for storing as evidence on the student profile/portfolio.

18. Certification and issuing qualifications

The school must issue to students whom it has assessed as competent in accordance with the requirements of the Training package or VET accredited course, a VET qualification or VET statement of attainment (as appropriate) that meets the requirements of the Standards for RTOs 2015.

The school will ensure that through the implementation of the AQF Qualifications Issuance Policy:

- Students will receive the certification documentation to which they are entitled within 30 calendar days of completion or withdrawal from the qualification
- AQF qualifications are correctly identified in certification documentation
- AQF qualifications are protected against fraudulent issuance
- A clear distinction can be made between AQF qualifications and non-AQF qualifications
- Certification documentation is used consistently across the school, and
- Students and parents/caregivers are confident that the qualifications they have been awarded are part of Australia's national qualifications framework – the AQF
- The school will establish anti-fraud mechanisms by including the school's own logo each document issued to ensure there is no fraudulent reproduction or use of credentials.

Replacement of certification documentation

The School maintains a Register of Certification Documents Issued for 30 years from the date of issue. This allows learners to request a reissue of their documentation at a later date. The School ensures that this is stored in an accessible format with both electronic and hard copy records kept securely. The process for a learner, or former learner, to request a reissue of their documentation is as follows:

- All requests for a replacement qualification or statement of attainment must be in writing (email is acceptable) from the learner to the RTO Manager;
- The request will be forwarded to the school to coordinate who may request the Student Management System Operator to print the certification documentation;
- The School will access the archived records/Register of Certification Documentation Issued to access the required information for the replacement document, or contact QCAA for a reissue;
- The replacement will identify that it is a re-issued version as well as follow all requirements for printing and issuing qualifications and statements of attainment as outlined in the checklist for certification documentation; and
- The replacement will be issued within 30 working days of receipt of the written request.

19. Qualification and accredited course guarantee

The School gives a guarantee to the student that the school will complete the training once the student has started in their chosen qualification or accredited course. Students who enter a course after the start date have the opportunity to negotiate a package of units that will lead to a statement of attainment only. This adjustment will be reflected in the Enrolment Agreement form which will be signed by both the student and parent/guardian.

In the event of losing a specialist trainer, and the school being unable to obtain a suitable replacement, the school will arrange for agreed training and assessment to be completed through another RTO if this is possible (fees may be incurred).

Prior to the transfer to another RTO, affected students will be formally notified of the arrangements, and agreement to those arrangements, including any refund of fees will be obtained.

If an external transfer is not possible, the school will gain a written agreement for a subject/course transfer within the school from the student and parent/guardian.

The Senior Subject Selection Form, as well as any Subject Transfer Form used by the school will include a disclaimer stating that by *'signing the form, they agree to all of the policies and procedures related to VET that are outlined in all RTO documentation pertaining to VET'*.

When an enrolment form is received, the form is checked to ensure it has been signed by both the student and their parent/guardian.

20. Unique Student Identifier (USI)

From 1 January 2015, the Australian Government required all students undertaking Vocational Education and Training (VET) to have a Unique Student Identifier (USI).

Registered Training Organisations (RTOs), including school RTOs, must have a valid USI for students before issuing a student with a qualification or statement of attainment. This is a condition of registration for training organisations under the *Student Identifiers Act 2014*.

The USI will seamlessly link information about a student's VET achievements, regardless of where they studied. This will make it easier for students and RTOs to find and collate an individual's VET achievements.

It will also:

- ensure that students' VET records are not lost
- enable students to easily access secure digital transcripts of their achievements
- give students access to, and more control over, their educational information.

Further information can be accessed on the [Australian Government USI website](#).

Who needs a USI?

School students participating in nationally recognised accredited training will require a USI. This includes:

- new students
- pre-enrolled students
- continuing students
- school students completing nationally recognised training.

School students, who are not participating in nationally recognised accredited training, do not require a USI.

What is a USI?

- A USI is a reference number made up of ten numbers and letters.
- The USI will allow each student's USI account to be linked to the National VET Data Collection.
- The USI is available online and at no cost to the student or RTO.
- This USI will stay with the student for life and be recorded with any nationally recognised VET course that is completed after the USI comes into effect on 1 January 2015.

Why do students need a USI?

From 1 January 2015, an RTO is only able to issue a statement of attainment or certificate when a student has a USI.

- Students who undertake nationally recognised VET in Australia (or overseas from an Australian-registered provider) will be able to use a USI to access their enrolment and achievement record from a single online source.
- Students will be able to get a full transcript of all accredited VET training they have undertaken from the time the USI comes into effect on 1 January 2015.
- Students may need to provide evidence of their academic achievements, for example, when applying for a job or to undertake further study.

Who applies for a USI?

Either an individual student or an RTO can apply for a USI.

What happens next?

- Students obtain a USI at school via the [Australian Government USI website - create your USI](#) using the information provided. This short session could be conducted during the student VET induction process or in the first VET class for the year.
- Students record the details of the USI.
- The school collects and records the USI details from the student.
- The school inputs this USI information into OneSchool and verifies the USI.

Create a USI

To create a USI, please make sure you have one form of ID from the list below ready.

- Driver's Licence
- Medicare Card
- Australian Passport
- Visa (with Non-Australian Passport) for international students
- Birth Certificate (Australian) *please note a Birth Certificate extract is not sufficient
- Certificate Of Registration By Descent
- Citizenship Certificate
- ImmiCard

Go to the [Australian Government USI website - create your USI](#) and follow the instructions. An email will be sent to you after you create your USI which can be forwarded to your classroom teacher.

HINT: Use an email account that is NOT a school email. Your USI number stays with you for life, unlike your school email which is disabled once you leave school.

21. Privacy Notice

Under the Data Provision Requirements 2012, Beerwah State High School is required to collect personal information about you and to disclose that personal information to the National Centre for Vocational Education Research Ltd (NCVER) via Queensland Curriculum and Assessment Authority (QCAA) and Queensland Department of Education (DoE).

Your personal information (including the personal information contained on your enrolment form), may be used or disclosed by Beerwah State High School for statistical, administrative, regulatory and

research purposes. Beerwah State High School may disclose your personal information for these purposes to:

- Commonwealth and State or Territory government departments and authorised agencies; and
- NCVER.

Personal information that has been disclosed to NCVER may be used or disclosed by NCVER for the following purposes:

- populating authenticated VET transcripts;
- facilitating statistics and research relating to education, including surveys and data linkage;
- pre-populating RTO student enrolment forms;
- understanding how the VET market operates, for policy, workforce planning and consumer information; and
- administering VET, including program administration, regulation, monitoring and evaluation.

You may receive a student survey which may be administered by a government department or NCVER employee, agent or third party contractor or other authorised agencies. Please note you may opt out of the survey at the time of being contacted.

NCVER will collect, hold, use and disclose your personal information in accordance with the *Privacy Act 1988* (Cth), the National VET Data Policy and all NCVER policies and protocols (including those published on NCVER's website at www.ncver.edu.au).

Students and parents are required to sign a Privacy Notice Declaration of Consent for USI and private information. See copy of Privacy Notice on following page.

Privacy notice and student declaration

Privacy notice

As a registered training organisation (RTO), **Beerwah State High School** is required to collect your personal information so we can process and manage your enrolment in a vocational education and training (VET) course with us. In the event that we cannot access the required information, you will not be enrolled into a VET course. Your personal information (including the personal information contained on this enrolment form), may be used or disclosed by **Beerwah State High School** for statistical, administrative, regulatory and research purposes. **Beerwah State High School** uses your personal information to enable us to deliver VET courses to you, and otherwise, as needed, to comply with our obligations as an RTO.

We are required by law (under the National Vocational Education and Training Regulator Act 2011 (Cth) (NVETR Act)) to disclose the personal information we collect about you to the National VET Data Collection kept by the National Centre for Vocational Education Research Ltd (NCVER). The NCVER is responsible for collecting, managing, analysing and communicating research and statistics about the Australian VET sector. We are also authorised by law (under the NVETR Act) to disclose your personal information to the relevant state or territory training authority.

The NCVER will collect, hold, use and disclose your personal information in accordance with the law, including the Privacy Act 1988 (Cth) (Privacy Act) and the NVETR Act. Your personal information may be used and disclosed by NCVER for purposes that include populating authenticated VET transcripts; administration of VET; facilitation of statistics and research relating to education, including surveys and data linkage; and understanding the VET market.

The NCVER is authorised to disclose information to the Australian Government Department of Education, Skills and Employment (DESE), Commonwealth authorities, State and Territory authorities (other than registered training organisations) that deal with matters relating to VET and VET regulators for the purposes of those bodies, including to enable:

- administration of VET, including program administration, regulation, monitoring and evaluation
- facilitation of statistics and research relating to education, including surveys and data linkage
- understanding how the VET market operates, for policy, workforce planning and consumer information.

The NCVER may also disclose personal information to persons engaged by NCVER to conduct research on NCVER's behalf.

For more information about how the NCVER will handle your personal information please refer to the NCVER's Privacy Policy at www.ncver.edu.au/privacy.

DESE is authorised by law, including the Privacy Act and the NVETR Act, to collect, use and disclose your personal information to fulfil specified functions and activities. For more information about how the DESE will handle your personal information, please refer to the DESE VET Privacy Notice at <https://www.dese.gov.au/national-vet-data/vet-privacy-notice>.

You may receive a student survey which may be run by a government department or an NCVER employee, agent, third-party contractor or another authorised agency. Please note you may opt out of the survey at the time of being contacted. At any time, you may contact **Beerwah State High School** to:

- request access to your personal information
- correct your personal information
- make a complaint about how your personal information has been handled
- ask a question about this Privacy Notice.
