When using a privately owned laptop at Beerwah State High School, or connecting it to the school network, we agree that:

- the device must at all times be connected to the BYOD Gateway when on school premises and in use. When connected to the BYOD Gateway, all activities will be logged. School ICT guidelines are to be followed in accordance with the completed and signed ICT Agreement (signed on enrolment).
- Beerwah SHS will only provide technical support to enable connectivity to the school network via the BYOD Gateway, for access to student files required for class, internet and printing services.
- it is the responsibility of the student to ensure that the private laptop is secured when not in use. Beerwah SHS takes no responsibility for theft, loss, vandalism, damage or unauthorised access to private laptops.
- BYOD devices must contain a virus scanner with up to date virus definitions.
- it is the responsibility of the student to back up data on the private laptop eg to external hard drive or USB.
- Beerwah SHS and the Education Department reserves the right to restrict access and use of any private laptop used on the school campus, whether it is connected to the school network or not. Access to the school network and permission to use the private laptop on school grounds will be withdrawn as a consequence of any inappropriate use and/or security breach. Cloud Based Services such as iCloud or Dropbox must not be used at school to store, send or access information at school.

- I acknowledge my students SRS fees must be paid, or a formal payment plan entered into prior to connecting a device to the school network.
- I acknowledge that the \$20 BYOx connection fee is waived for 2019 only as a trial.
- I have read the ICT Responsible Use Agreement as part of my enrolment package, and understand my responsibilities as outlined in this agreement. (This agreement may be viewed on the school website)
- I acknowledge that my device meets the minimum specifications.
